

MUNICIPAL ENGINEER/PROJECT MANAGER

Boswell Engineering, one of the largest New Jersey based multi-disciplined engineering firms, is seeking a dynamic, goal oriented and highly motivated Project Manager for immediate employment in our Municipal Engineering Division.

Applicant should be a licensed Professional Engineer in the State of NJ with a minimum of 5 years of experience related to the design and management of public works projects. Qualified candidates must have a desire to be exposed to a wide variety of engineering challenges to address the complex needs of our clients. Applicant should have expertise with zoning, land development, site plan review and report preparation. Candidates must possess excellent written and oral communication skills, exceptional interpersonal skills and have a passion for continued learning, as our industry continually evolves.

Boswell offers competitive wages, a comprehensive benefits package and opportunities for advancement. Benefits Include:

- Medical, Dental, and Vision Insurance
- Life Insurance / Voluntary Life Insurance
- Short Term and Long-Term Disability
- Flexible Spending Account
- Health Savings Account
- 401K with a Company Match
- Paid Vacation and Sick Days
- Paid Holidays
- Tuition Assistance
- Career Development

Boswell is an Equal Opportunity/Affirmative Action employer, M/F/D/V. All qualified applicants will receive consideration for employment without regard to race, color, religion or creed, sex including sexual orientation and gender identity, national origin, age, citizenship status, marital status, physical or mental disability, military status, genetic information, or any other legally protected status.
