10:00 AM Session #1
11:00 AM Session #2

Session #1 (1 PDHs)

**Speaker: Gabriel Mahon, Chief
Bureau of Nonpoint Pollution Control
Division of Water Quality
NJ Department of Environmental Protection**

Topic: Stormwater Management Rules

New Stormwater rules become effective March 2021. Get familiar with the Green Infrastructure requirements for linear development and review of green infrastructure requirements for commercial development.

Session #2 (1 PDHs)

Speakers: Panel discussion to include engineers, attorneys, and elected officials

Topic: Local Approvals – Operating in a Pandemic

This panel discussion will feature specific examples of operating in our new normal, including an emphasis on local cooperation to execute accommodation for outdoor dining across various types of community settings, including urban, suburban, and main street. Bring your own ideas and questions to the conversation – interaction will be encouraged!
